The Consultant must commit that staff identified in its proposal will actually perform the assigned work. Any staff substitution must have the prior approval of the AGENCY.

B. Experience of the Consultant (SCORED)

- 1. Indicate the experience the Consultant and any subcontractors have in the following areas:
[NOTE: list areas]
- 2. Indicate other relevant experience that indicates the qualifications of the Consultant, and any subcontractors, for the performance of the potential contract.

3. If the Consultant has had a contract terminated for default in the last five years, describe such incident. Termination for default is defined as notice to stop performance due to the Consultant's non-performance or poor performance and the issue of performance was either (a) not litigated due to inaction on the part of the Proposer, or (b) litigated and such litigation determined that the Proposer was in default.
4. Submit full details of the terms for default including the other party's name, address, and phone number. Present the Consultant's position on the matter. The AGENCY will evaluate the facts and may, at its sole discretion, reject the proposal on the grounds of the past experience. If no such termination for default has been experienced by the Consultant in the past five years, so indicate.

E. OMWBE Certification (Optional)

Include proof of certification issued by the Washington State Office of Minority and Women-Owned Business if certified minority-owned firm and/or women-owned firm(s) will be participating on this project.

3.4 COST PROPOSAL

The maximum fee for this contract must be \$ _____ or less to be considered responsive to this RFP.

The evaluation process is designed to award this procurement not necessarily to the Consultant of least cost, but rather to the Consultant whose proposal best meets the requirements of this RFP. However, Consultants are encouraged to submit proposals which are consistent with State government efforts to conserve state resources.

A. Identification of Costs (SCORED)

Identify all costs including expenses to be charged for performing the services necessary to accomplish the objectives of the contract. The Consultant is to submit a fully detailed budget including staff costs and any expenses necessary to accomplish the tasks and to produce the deliverables under the contract. Consultants are required to collect and pay Washington state sales tax, if applicable.

Costs for subcontractors are to be broken out separately. Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

Optional: The Contractor may be expected to testify before the Washington State Legislature (_____ session, January - April) at the conclusion of the project. Fees and expenses for one trip to Olympia for testimony should be included in the cost proposal.

[NOTES: 1) *Include reference to expenses and legislative testimony only if appropriate.* 2) *When multiple cost components are required, agencies may want to include a cost proposal form for completion by proposers, to assist in presentation of costs in a consistent format.)*

B. Computation

The score for the cost proposal will be computed by dividing the lowest cost bid received by the Consultant's total cost. Then the resultant number will be multiplied by the maximum possible points for the cost section.

[NOTE: *The cost proposal can be evaluated in other ways. For complex projects, points can be awarded based both upon the total cost of the project and upon the reasonable allocation of costs for the project.]*

4. EVALUATION AND CONTRACT AWARD

4.1 EVALUATION PROCEDURE

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this solicitation and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by the AGENCY, which will determine the ranking of the proposals.

References will be contacted for the top-scoring proposer(s) only and will then be scored and added to the total score.

[NOTES: 1) References can be scored as part of the management proposal, if desired. 2) The scores of the written proposals and oral presentations, if required, may be added together to determine the apparent successful contractor or the score from the oral presentation can be considered independently to result in the selection of the apparent successful contractor.]

4.3 ORAL PRESENTATIONS MAY BE REQUIRED

Written submittals and oral presentations, if considered necessary, will be utilized in selecting the winning proposal. The AGENCY, at its sole discretion, may elect to select the top scoring finalists from the written evaluation for an oral presentation and final determination of contract award. Should the AGENCY elect to hold oral presentations, it will contact the top-scoring firm(s) to schedule a date, time and location. Commitments made by the Consultant at the oral interview, if any, will be considered binding. The score from the oral presentation will be considered independently and will determine the apparently successful proposer.

4.4 NOTIFICATION TO PROPOSERS

Firms whose proposals have not been selected for further negotiation or award will be notified via FAX or by e-mail.

4.5 DEBRIEFING OF UNSUCCESSFUL PROPOSERS

Upon request, a debriefing conference will be scheduled with an unsuccessful Proposer. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Notification of Unsuccessful Consultant letter is faxed/e-mailed to the Consultant. The debriefing must be held within three (3) business days of the request.

Discussion will be limited to a critique of the requesting Consultant's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

4.6 PROTEST PROCEDURE

This procedure is available to Consultants who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Consultant is allowed three (3) business days to file a protest of the acquisition with the RFP Coordinator. Protests may be submitted by facsimile, but should be followed by the original document.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Consultants under this procurement.

All protests must be in writing and signed by the protesting party or an authorized Agent. The protest must state the grounds for the protest with specific facts and complete statements of the action(s) being protested. A description of the relief or corrective action being requested should also be included. All protests shall be addressed to the RFP Coordinator.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator.
- Errors in computing the score.
- Non-compliance with procedures described in the procurement document or AGENCY policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, or 2) AGENCY'S assessment of its own and/or other agencies needs or requirements.

Upon receipt of a protest, a protest review will be held by the AGENCY. The AGENCY director or an employee delegated by the Director who was not involved in the procurement will consider the record and all available facts and issue a decision within five business days of receipt of the protest. If additional time is required, the protesting party will be notified of the delay.

In the event a protest may affect the interest of another Consultant which submitted a proposal, such Consultant will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall:

- Find the protest lacking in merit and uphold the AGENCY's action; or
- Find only technical or harmless errors in the AGENCY's acquisition process and determine the AGENCY to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide the AGENCY options which may include:
 - Correct the errors and re-evaluate all proposals, and/or
 - Reissue the solicitation document and begin a new process, or
 - Make other findings and determine other courses of action as appropriate.

If the AGENCY determines that the protest is without merit, the AGENCY will enter into a contract with the apparently successful contractor. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken.
